Ref. :

Note to the Hon'ble Vice Chancellor

Proposal for incorporation of 'Internship Programme' in the Syllabus of M.Lib.I.Sc. Course (4th Semester) and Hands on Internship Programme in the North Bengal University Library

The department of library & information science has been instrumental in incubating new generation information professionals since its inception. This department, being the oldest department of this region has been in the process of making ideal Information Handlers, who are equipped for challenging any turmoiled information environment. **They are having all theoretical and conceptual insights barring exposure to the real-time work ambiance.** The faculties of the department discussed the issue with the Registrar of the University vide letter no..... and the same issue was unequivocally reverberated by the Hon'ble vice Chancellor in the last library committee meeting.

The Department of Library and Information Science proposes to **initiate 3(Three) months (12 weeks) mandatory "Internship Programme" in the university library for all students of the 4th Semester M.Lib.I.Sc. course as a part curriculum. Necessary modifications in the curriculum of master's Course of Library & Information Science and have already been incorporated** in consultation with the University Librarian and the departmental faculties.

As a part of curricular activity, the Internship Programme is mandatory for all students of 4th Semester of M.Lib.I.Sc. Course. Nonetheless, the department feels, professionalism embeds a sublime presence of economy and hence the department proposes to include **"Earn While You Learn"** model for all the students in Internship programme and a token amount of Rs. 3000/- (Three Thousand only) be sanctioned for each of them as motivator to professionalism and responsibility. A sum of 150000/- (One lac fifty thousand) will be incurred per year, which is equivalent to 16800(Sixteen thousand eight hundred approximately) man-hours of service in 12 weeks by 40 students,
